The page features a decorative border with a light green background and white polka dots. The border is composed of various cactus species and flowers. On the left and right sides, there are tall, columnar cacti with small spines. At the top and bottom, there are round, barrel cacti with yellow flowers, and several bright red flowers with green stems. The central area of the page is white and contains the word "NOTE" in a large, bold, dark green font. Below the title, there are ten horizontal green lines for writing.

NOTE
